**DSA Chair Report 2022**

- DSAUK continues to develop and grow, both in terms of membership numbers and the offer to our members, families and groups we support.
- In 2022 we were able to continue the restart of activities and bring members back to in-person events both Regionally and Nationally.
- The response was well received by members, with events having good numbers and very good feedback of finally being able to get together again.
- All DSAuk English regions received TIF funding of £3k which assisted our regions to deliver regular events without the worry of cost involved. Staff have worked closely with all regional co-ordinators to help book events and assist with delivery.

- The staff, Vice Chair and Chair have maintained a weekly catch-up meeting which has proven to be very effective and helps to keep all the management of the DSAuk up to date on a weekly basis.
- The board meetings have been held online and in person, this has proved to be both productive and effective. We have been organising a board meeting every six to eight weeks.
- The board decided to make membership free again for 2023, to offer some support to our members due to the cost of living crisis and to encourage members back to activity after the pandemic.
- The website has been kept consistently current and vibrant with the event calendar, news articles and members successes. With ability to book into events regionally and nationally too.
- The DSAuk quarterly Reachout booklet has been published throughout 2022 and distributed to members and available on all our social media platforms.
- DSAuk hosted a hugely successful Introduction to Shooting event on Saturday 29th January 2022 for people with a physical impairment. The event was held in partnership with Cerebral Palsy Sport, LimbPower and Wheelpower and funded by Sport England from the Tackling Inequalities Fund (TIF).
- In 2022 we held our first annual National Games in two years, with 186 competitors attending. The event was a great success and received fantastic feedback.
- National events held included a camping weekend in July, 5 a-side and badminton weekend in August and Boccia tournament in October. All well attended and great feedback given.
- DSAuk selected their first male team to compete in the Futsal championships in Spain. The team had great success and came second overall.
- DSAuk Ambassador Steve Scott MBE has worked with Islabikes to design a bike for adults with dwarfism. Steve has worked hard and with his experience and extensive input, the team have been able to get the biomechanics right to produce an off the peg bike specifically designed for adults with dwarfism.

### **Membership**

- Membership increased by **27 full members** and **54 associates** during 2022, taking the association to **2853** members in total of which **962** are full RG members who we support by providing regular sporting and recreational activities helping to improve self-esteem, physical fitness health and wellbeing.

### **DSAUK Regions**

- **DSAUK** does this by providing regular sporting and recreational activities through our regional structure. DSAUK delivers a broad range of sporting events and social activities as well as engaging the local communities through our schools and community group programme.

### **During 2022 DSAuk organised**

- 6 x National Shooting Sessions
- 70 x Regional Events
- 2 x NDSO TIF shooting

- 4 main National Events - National Games, Camping Weekend, 5-a-side & Badminton Weekend, Boccia Tournament.

**National Agenda**

- DSAUK continued to play an active role in national campaigns to increase access to sport and recreational activities for disabled people.
- Partnering with the Activity Alliance we commissioned a research piece on the benefits of recreational activity and independent living, which was published in, gaining positive media coverage across the UK.
- DSAUK works in partnership with both 'Little People UK' and 'Restricted Growth Association' engaging in joint projects to raise awareness of the barriers and issues faced by dwarfs and people with restricted growth conditions.

**Creating New Opportunities**

- DSAUK works at creating different opportunities for its members and associates to engage in sport, recreation, and personal development.
- DSAUK enables new and existing members to move from inactive to active citizens by offering a mixed programme of sporting and recreational events.

**Grant Funding**

- DSAUK relies on grant funding to support and fund our staff positions and are grateful for the continued support from Sport England, TIF and The Together fund and the We all Make a Difference Charity during 2022.
- Our partnership with Children in Need came to an end in February 2022 after 15 years. We thank BBC Children in Need for their support over such a long time.
- 

**Reserve Funds**

- The DSA has several reserve funds. A £20,000 reserve to secure the associations event programme if funding is not found.
- A DSAuk core cost reserve, representing one year's overhead cover of £32,000.
- A reserve fund of just under £21,000 as a contingency fund if the charity has a period of time when staff funding is not available and finally.
