 Questions - Contact Tim at the DSAuk Office for guidance and support.

Join us for a weekend of incredible competition, camaraderie, and fun we can't wait to see you there!

## Worcester University

DSAuk staff deliver an engaging lecture packed with practical insights on inclusive coaching and dwarfism awareness then took it straight to the sports hall to put theory into action

Students got hands-on experience learning how to make coaching more inclusive for disabled participants, with a strong focus on dwarfism.

If you're in an educational setting and want to explore inclusive coaching and dwarf awareness, feel free to reach out to Tom or Mike. Together, let's make sport accessible for everyone

This February, the DSAuk Board, Trustees, and staff came together for a productive and inspiring Board meeting! The afternoon was spent looking ahead, brainstorming, and planning what the National events calendar could look like, exciting times are ahead for our members and the wider dwarf sports community.

We're always looking for passionate voices to join our Board. Reach out to Tim at the office to learn how you can get involved, we'd love to have your insight and ideas guiding our work! 💬
